- Student representative for the 2019 school year

WORK EXPERIENCE

Research/ Health care

- Boston University School of Medicine (Boston, MA) 2018-Present
Senior Research Coordinator for the Vitamin D Lab
• Manage all administrative and project management components for existing clinical research studies
• Enroll all participants and lead study visits for multiple active clinical research studies
• Extensive writing for IRB, protocol design, and grants
• Coordinate summer high school students and current Research Assistants across multiple projects
- Tufts Medical Center (Boston, MA) 2016- 2018
Research Assistant II for the Institute for Clinical Research and Health Policy Studies
• Conducted and transcribed patient interviews to examine patient perspectives on hospital readmissions
• Performed qualitative coding and thematic analysis
• Coordinated and conducted 12-month follow up interviews for the Cancer Disparities Research Network with 100 local Mandarin and Cantonese-speaking participants
• Aided grant writing for internal, foundational and national grants
• Managed most administrative tasks such as IRB submissions, scheduling, and team finances
- Scribe America (Boston, MA) 2016-2018
Medical Scribe at Massachusetts General Hospital Emergency Department
• Completed medical charts for ED attending physicians at MGH using EPIC Hyperspace and EDIS
• Accompanied the attending physician to each patient encounter and documented pertinent information for the history of present illness, review of systems and physical exam
• Performed chart reviews to gain pertinent past medical, surgical and social history to include in charting and to inform clinicians of new information
- Hong Kong Polytechnic University (Hong Kong, China) Sept-Dec 2015
Research Intern
• Performed literature review and reviewed local and international nursing home policy
• Completed three comprehensive project reports for the Yuen Yuen Institute focusing on fall prevention, physical restraint use, and infection control trends and effective interventions recommended for Hong Kong nursing home care practice
- Northeastern University (Boston, MA) Sept 2012-2016
Lab Assistant for the Biology and Chemical Engineering departments
• Epstein lab (2012-2013) - Trained and participated in DNA extraction, PCR, and data analysis under

supervision

- Advanced Drug Delivery Research Center (2014-2016) - Ran experimental trials with rat specimens, fresh tissue, and pharmacological tools; carried out an individual research project to detect Polysorbate 80 bioavailability in pseudo-gut environment in fed and unfed states using CAD and HPLC

University of California, Irvine Medical Center (Orange, CA)

Surgical Research Intern for the Department of Urology

Summer 2011

- Worked under Urology, GI, General Surgery, and Orthopedics on cadaver surgical experiments
- Observed and participated in cadaver lab sessions with medical students
- Assisted the lab manager in setting up fresh tissue labs for surgeons, fellows, and students
- Instructed 50+ high school students how to perform sutures on fresh tissue

Teaching

Jia Hua School of Language (Shenzhen, China)

July- Dec 2014

Language Instructor

- Taught English to Chinese adults, high school students, and college students in varying class sizes
- Compiled new curriculum and lesson plans for the school by researching effective teaching styles

COMMUNITY SERVICE

Boston Area Rape Crisis Center - BARCC (Boston, MA)

Medical Advocate

October 2016- Present

- Trained as a rape crisis counselor who responds to local sexual assault cases
- Provided informational and emotional support to survivors in the ED, as well as resources from BARCC

Asian Task Force Against Domestic Violence - ATASK (Boston, MA)

Shelter Volunteer

2016- 2018

- Visited the shelter weekly to help play with the shelter children and any household chores
- Conversated regularly with the shelter residents and learned the social intricacies of domestic violence
- Participated in seasonal events to support ATASK and raise community awareness on domestic violence
